Primary Teaching for Mastery Showcase Lessons

NW1 Maths Hub

Primary Teaching for Mastery Showcase Lessons

CPD Aims

- Reflect on best practice and consider the effectiveness of your own maths curriculum.
- Reflect on the concepts of teaching for mastery and see how these are applied in practice.

Teaching for Mastery

Audience

This CPD is recommended for professionals who want to develop leadership within their maths curriculum.

This includes professionals such as:

- Senior Leaders
- Maths Leaders

Delivered by

NW1 Maths Hub

St Mary's CE Primary School

Extra information

We are delighted to be working with St Mary's to host 3 Teaching for Mastery Showcase lessons.

There will be a showcase for EYFS lessons, a showcase for key stage one lessons and a showcase for key stage two lessons.

These lessons will allow school leaders to see the Teaching for Master principles in action and to see the positive impact they have on learning and outcomes for children.
